About this resource...

This free Grab and Go resource is a set of no-prep worksheets created specifically for Kindergarten.

The activities are meant to complement your math and phonics curriculum, a tool to review and reinforce what is being taught in your classroom.

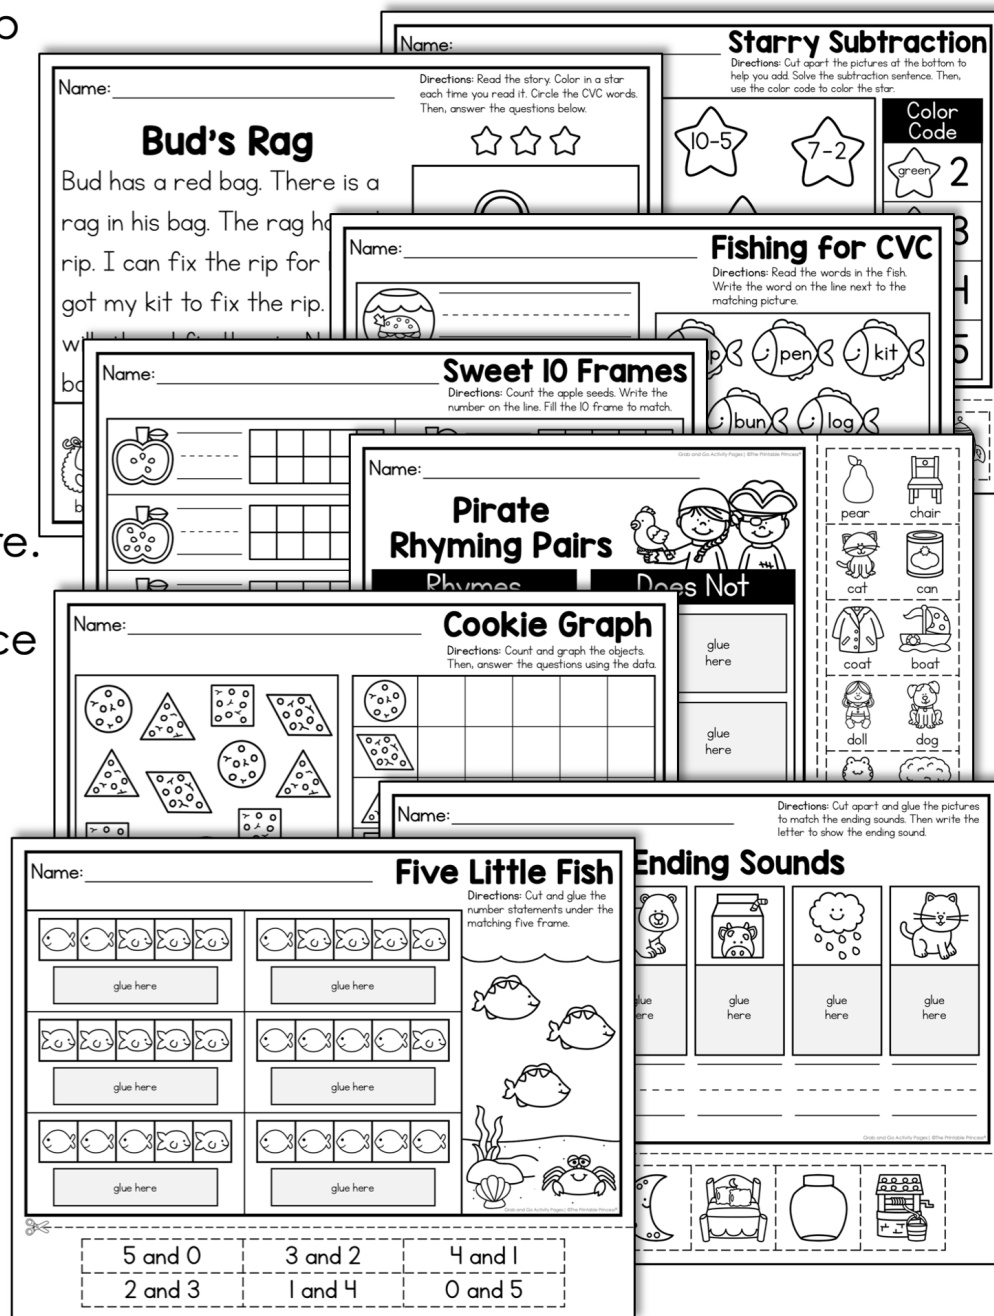

This free edition includes 20 pages that cover skills such as counting on, ways to make 5 and 10, addition and subtraction, letter recognition, beginning sounds, rhyming, CVC words, and more.

These are a fun way to help your students practice math and literacy skills while increasing their fine motor skills.

These pages are truly "Grab and Go" because they require no prep, which is perfect for busy teachers. All pages are blackline printer-friendly.

Students will need a pencil and crayons to complete the pages, along with scissors and glue for the cut and glue activities.

Use these for informal assessments or quick skill checks, centers and small group activities, extra practice and review, or homework.

Kindergarten Year Long Bundle

If you enjoyed this free resource, check out the *Grab and Go Year Long Bundle*. Each month includes **80 pages of math and literacy worksheets**, that progress each month, made just for kindergarten.
